**ADDITIONAL EVIDENCE**

Defendant, Neelam Uppal, Pro se files a ADDITIONAL EVIDENCE  
Against Bankruptcy Judge, and all other affiliated individuals, entities or  
corporations party to the cause of the motion and states her grounds as  
follows:

1. The Docket keeps changing. Now there are 5 operating reports.  
(Exhibit 1)
2. Judge Moriis continues to Re-open case to allow frivolous motions by  
creditors and then orders the debtor to pay attorney fees, even though

there is no law supporting her ations. She is a corrupt Judge who is abusing her authority to loot the debtors, especially pro se litgants, to make money for her allied lawyers. She has mental disability of dyslexia as she is applying the laws totally opposite of what it states. For example, she said, that 'the Bankruptcy Judge is required to wath the interes of the Debtor', but on the contrary she is exploiting the debtor.( Exhibit 2)

3. Wherefore, the Appellant requests that she beg iven a relief of declaring her bankruptcy as discharged.

Respectfully submitted,  
on this th day of 11/6 2018.

Case No. 16-12356-cgm

Adversary No. 17-01026-cgm

**ORDER TO REGISTER JUDGMENT**

Before the court is Creditors' motion to register judgment. The Court now rules on this motion. Creditors, in their motion to register judgment, urge this court to do so under 28 U.S.C. § 1963, arguing that there has been "good cause" shown to support such a decision. 28 U.S.C. § 1963 provides in relevant part:

§ 1963. Registration of judgments for enforcement in other districts. A judgment in an action for the recovery of money or property entered in any \* \* \* bankruptcy court, \* \* \* may be registered by filing a certified copy of the judgment in any other district \* \* \* when the judgment has become final by appeal or expiration of the time for appeal or when ordered by the court that entered the judgment for good cause shown. \* \* \* A judgment so registered shall have the same effect as a judgment of the district court of the district where registered and may be enforced in like manner.

Uppal has appealed the above described Final Judgment, and that appeal is not yet final. See U.S. District Court, Southern District of New York (Foley Square) *In Re Neelam Uppal, Uppal v. Rodriguez and Wilkinson*, Case 1:17-cv-08510-VSB.

In support of the Creditors' position that good cause exists in this case for entry of an order to register the Final Judgment in a foreign district, the Creditors note that: (a) Uppal has no identifiable assets in the State of New York; (b) Uppal may have assets in other districts, specifically in the State of Florida; (c) Creditors believe that such assets may be concealed or transferred if prompt registration of the judgment is not permitted; and (d) Uppal has failed to post a supersedes bond pending appeal of this Court's entry of the Final Judgment in this adversary action, even though Uppal filed her Emergency Motion for Stay and Injunctive Relief [Doc 75] on December 26, 2017.

The court finds such a showing satisfies the good cause requirement of § 1963. The Court is authorized to determine whether good cause has been shown for registration of a Final Judgment in a foreign jurisdiction while an appeal of the Final Judgment remains pending. See *Chicago Down Ass'n v. Chase*, 944 F. 2d 366, 372 (7<sup>th</sup> Cir. 1991) ("good cause" existed where defendant owned no property in district of judgment, defendant owned property in other districts, plaintiff feared that defendant might transfer or conceal such property, and defendant failed to post a supersedes bond); and *Johns v. Rozet*, 143 F.R.D. 11, 12 (D.D.C. 1992) (same); *Associated Business Telephone Sys. Corp. V. Greater Capital Corp*, 128 F.R.D. 63, 68 (D.N.J. 1989) ("good cause" shown where defendant had no assets in district of judgment but did have assets in other districts).

The court finds the Final Judgment is currently on appeal, and Uppal has not filed a supercedes bond to stay enforcement of the Final Judgment. In *Occidental Fire & Casualty*

*Company of North Carolina v. Great Plains Capital Corp., et al*, 912 F.Supp. 515, 519 (S.D. Florida 1995), the court determined the final judgment could not be registered in a foreign district until the final judgment had become final by appeal or until Arizona court had ordered registration for good cause shown, ruling that the registration case had been prematurely filed.

**THE COURT GRANTS CREDITORS' MOTION TO REGISTER FINAL  
JUDGMENT.**

**THE COURT FURTHER GRANTS** Creditors' motion for an award of costs and fees reasonably incurred to obtain this order, and retains jurisdiction to consider the amount thereof.
